

## **Agenda**

Date: October 30, 2014

### **Topic: Proposed Updates to the Mobile ID Device Best Practice Recommendations**

#### **9:30 Welcome and Orientation:**

Barbara Guttmann  
Director, Information Access Division, NIST

Shahram Orandi  
Group Leader, Image Group, NIST

#### **9:45: Project Overview**

Brad Wing, NIST

#### **Use Case Presentations**

10:15      Forensics / Latent Print Photography  
Mobile Time/Attendance and Certifications  
Tactical Awareness and Biometrics Build  
Other DHS S&T Use Cases  
Patty Wolfhope, DHS S&T  
Scenarios Developed in DHS Mobile ID Workshops  
Rick Lazarick, contractor to DHS

10:45      Voice

Mobile Voice Applications  
Patrick Gibbs, contractor to DoD  
DoD Mobile ID Standards

11:00      DNA

FBI CODIS and RapidDNA  
Kevin Ellis, FBI

11:15      Iris

Border Patrol Use of Iris in a Mobile Environment  
Paul Good, DHS Border Patrol

11:30 FBI Mobile ID Scenarios

Peter Alex, FBI

11:45 Break

Standards and Reference Materials

11:45        ANSI/NIST-ITL  
                  Brad Wing, NIST

12:00        Mobile ID Taxonomy  
                  Eric Kukula, Noblis

12:15 – 1:00: LUNCH

1:00        ISO/IEC SC37 Pictogram Standards  
                  Mary Theofanos, NIST

1:15        WSABI Mobile Device Usability  
                  Kristen Greene, NIST

1:30        OASIS Biometrics Technical Committee Standards  
                  Kevin Mangold & Ross Micheals, NIST

1:45 Break

Other issues

2:00        Glasses and the Impact on Facial Recognition  
                  Delia McGarry, NOBLIS

2:15        FAP 10 and FAP 30 comparison  
                  David Jones, FBI

2:30        Proposed FAP 55 for 3.2 x 2 capture area  
                  Tom Buss, Integrated Biometrics

3:00        Wearable Biometrics (Google Glasses, Police Officer Video, etc.) and  
                  other innovative technologies  
                  Brad Wing, NIST

3:15        Iris Acquisition Guidance  
                  Jim Cambier, Crossmatch

Group Discussion

3:30        Moderated by Brad Wing

Objectives:

- Agree Upon General Format of the Document
- Develop an Initial Timeframe
- Define Working Groups
- Select Working Group Leads

5:00

Adjourn
